**Our Set Time(s):** TBA

\*A couple weeks prior to each performance, an email will be sent out with more detailed information on each event. Driving directions, dress codes, set-lists, and all other pertinent information will be included. Please RSVP to these emails so that I know who is coming to each performance.

\*In order to travel you must complete MLE Acoustic Traveling Ensemble registration which includes the travel liability form (all available at [musiclessonsexpress.com](http://musiclessonsexpress.com))

\*In General, plan to arrive at the event at least an hour and a half before our scheduled set time. This way, we can tune up, warm up, and mentally prepare for the performance. Also, make sure to bring extra strings, your tuner, rosin?, picks?, capo?, and your instrument(s)!

\*Other performances may arise and be added to this calendar as the year progresses.
